Sir:

This paper is submitted in response to a final Official Action dated July 2, 2008 and an Advisory Action dated October 16, 2008. A Request for Continued Examination (RCE) is also enclosed. A response (not entered) was submitted within two months of the date of the Action (i.e. on July 25, 2008) and the Advisory Action was not mailed until after the end of the three-month shortened-statutory period set by the final Official Action. Therefore, the original shortened-statutory period for response expired on October 16, 2008. A Petition for a one-month extension of time is enclosed to extend that date until November 16, 2008.

It is requested that the amendments and remarks in this paper be entered.
